Cancellation/No Show (please read carefully)

We greatly value your time, and it is our goal to attend to your needs in a timely manner. We therefore do not overbook appointments and strive to maintain timeliness in patient scheduling. We recognize that cancellations/ reschedules at times become necessary, but we ask that a cancellation/reschedule notice be received by our office no later than **24 business hours prior to the appointment.** Though our office provides a courtesy reminder for each appointment, this may or may not happen within 24 hours of the appointment due to our office schedule. If for any reason you need to but do not cancel/reschedule your appointment in a timely manner, your physician becomes unable to provide the same quality service to another patient during your scheduled time slot. **Broken appointments represent a cost to us, to you and to other patients who could have been seen in the time set aside for you**. We thus reserve the right to charge:

$95.00 for late cancellation/reschedule of an **initial consultation appointment.**
$55.00 for late cancellation/reschedule of **established patient appointment.**
A NO SHOW for any type of appointment will be charged **the cost of the full office visit.**

We use your credit card information for the purpose of holding your appointment as well as enforcing this policy. **Your credit card will NOT be charged UNLESS you miss your appointment without a 24-business hour cancellation notice.** Initials_____
More than two late cancellations or no-show appointments may result in discharge from the practice. Initials_____

Late Arrival for Appointments

A patient arriving late for a scheduled appointment will be seen for the remaining time of the appointment only and will be charged 100% of the appointment fee**.** Initials_____
